*Villa Maria*

*Solimene Art*  
CERAMICHE

We make our own a Van Gogh sentence, which reads as follows:

*"I dream of painting and then I paint my dream."*

You too can be part of the magical world of ceramics, making your artistic dreams come true, at the Solimene Company Art pottery school, master potters since 1930.

Guided by these expert masters, you will work with your own hands the clay, producing plates, bowls, jugs etc., and will decorate glazed pottery, with the ancient techniques that you will acquire from the potters.

After the necessary cooking times, you can pick up the item you made at the **Bottega di Villa Maria** or receive it at the address you want.

The course will be held at the **Bottega di ceramica boutique Villa Maria** in Ravello, it will last at least 3 hours and, at the end, you will be awarded a certificate of attendance.

We will provide you with the apron and all the equipment and materials required for the work, what you need is only a lot of imagination.
